GUEST TEACHERS from SO YOU THINK YOU CAN DANCE Canada 2010:

TARA- JEAN POPOWICH – WINNER EVERETT SMITH – TOP 4 KIM GINGRAS – TOP 8

Congratulations to everyone who participated!

It was so exciting to have Tara-Jean, Everett and Kim teaching exclusively at our studios this past weekend. Students aged 8 to adult, had an amazing and inspiring opportunity to work in an intimate class setting with these highly sought after performers/teachers. Tara Jean worked the students through some of her favorite and challenging warm up exercises and taught several soulful contemporary routines. She let loose with some disco on Sunday with the younger students and everyone had a blast! Everett dazzled all of us with his famous tapping and made the students work hard to keep up. He busted out his hip hop moves with the junior workshop and demonstrated what a dynamic and fun teacher he truly is. Kim is an incredible hip hop teacher. She had a wonderful personality and all the students enjoyed her great choreography. Check out the GALLERY for all the group photos and some fun shots as well!

TARA JEAN SCHOLARSHIP AWARDS

Tara Jean was so impressed with the caliber of our students, that she surprised us by selecting 5 of our students to spend a week with her this August in Paris, France! This year as part of a convention she taught at across Canada, Tara Jean offered \$500 scholarships to spend a week with her in Paris taking dance classes at various studios and touring the city. She had been told that our school was extremely strong prior to coming to Winnipeg a few years ago. She wanted to include our school in this opportunity and chose Morgan Pooles, Kelsey Pooles, Alexis Frederick, Alexandra Haverstick and Ashley Robson, as her scholarship recipients. Congratulations ladies, on this exciting honor and opportunity.
